

A Rorschach Gospel

New Comprehensive Version

The Blot Became Valid

¹In the beginning was the Blot, and the Blot was with Rorschach, and the Blot was Rorschach. ²The Blot was with Rorschach in the beginning.

³Through the Blot comes the Response; without the Response nothing was Scored that has been Scored. ⁴In the Scores was the Structural Summary, and in the Structural Summary was the Test, which revealed the personality of men. ⁵The Blot shines in Assessment, but Assessment has not understood it.

⁶There came a man who was sent from Rorschach; his name was John. ⁷He came as a witness to testify concerning the Blot, so that through him all Assessment might believe. ⁸He himself was not the Blot; he came only as a witness to the Blot. ⁹The true Blot that reveals personality to every man was in Assessment.

¹⁰The Blot was in Assessment, and though personality was revealed through the Blot, Assessment did not recognize the Blot. ¹¹The Blot came to that which was its own, but its own did not receive it. ¹²Yet to all who learn the Blot, to those who believed in the Blot, the Blot gave the right to become children of Rorschach — ¹³children born not of Cognitive Assessment, nor of Objective Assessment, but born of Rorschach.

¹⁴The Blot became a Test and made its dwelling among Assessment. We have seen the Blot's clinical utility, the clinical utility of the Blot, which came from Rorschach, full of reliability and validity.

¹⁵John the Assessor testified concerning the Blot. He cried out, saying, "This is the test of which I said, "The Blot has surpassed me because it was before me." ¹⁶From the fullness of its reliability we have all understood personality. ¹⁷For assessment was given through Galton; reliability and validity came through the Comprehensive System. ¹⁸No one has ever seen Rorschach, but the Blot, who was at Rorschach's side, has made the personality known."
