

**A Rorschach Prayer**

Our Father, who art on Card IV, hallowed be  
thy Determinants.

Thy Location come, thy Content be done, on  
Card I as it is on Card X.

And give us this Percept, our own  
projection, and forgive us our CONTAMs as we  
for give those who CONTAM against us.

And lead us not into Reflections, but  
deliver us from ALOGs, for Thine is the Form  
Quality, and the Z-Score, and the Structural  
Summary forever.

Amen
